Sir,

I have the honor to enquire whether I may order from Messrs Richardson & Cudda's Bombay on behalf of the Mysore Excise Department 2 Platform weighing machines for the issue of Spirits by weighment from 1st Proximo. The machines of 10 cwt. capacity each would cost about Rs 100/- each at Bombay.

Def. accord. & proceeds W.P.

The issue of Spirit by weighment is in vogue throughout Great Britain and British India; it is much quicker and more accurate than any other method, and you, so far as I recollect, expressed your approval of its introduction here when you visited the Distillery in Feby. last.

Yes: I saw it was the easiest method R.V.

The favour of an early reply is requested as there is very little time to spare now.

I have &c
